

Republic of the Philippines
PUERTO PRINCESA SUBTERRANEAN RIVER NATIONAL PARK
Protected Area Management Board
City of Puerto Princesa

Memorandum Order # 03
Series of 2018

To : All Travel Agencies, Tour Guides and Tourist Van Operators/Drivers
Subject : Temporary Park Closure for Conservation
Date : May 31, 2018

In order to address the impact from high intensity tourism in the cave and in the entire property, the PAMB and PPUR management had developed and soon to implement a detailed, integrated and extensive long-term tourism management plan that includes actions to address the current impacts that the park has been experiencing from everyday tourism activities.

In view of the aforementioned concerns, the park management will implemented the temporary closure of the PPUR Cave and letting the river rest from the usual foot traffic on **July 1-3, 2018**.

Relative to this, the PPSRNP office will not be accepting booking for Visitor Entry Permit on the abovementioned days for the said project.

Again, we would like to solicit for your usual support and understanding for any inconvenience this may cause you.

Thank you very much.

Please be guided accordingly.

Sincerely yours,

ELIZABETH A. MACLANG
Park and World Heritage Manager
